WWF-AUSTRALIA DONATION RECEIPT

au Jibun Bank Corporation

Nihonbashi Dia Bldg 13
1-19-1 Nihonbashi, Chuo-ku
TOKYO 103-0027 JAPAN

22 June 2020

I can't thank you and all at *au Jibun Bank* enough for your support. We have received your donation of \$1,304.70 AUD towards our recent bushfire appeal. Your support is playing a vital role in helping to provide both immediate relief to bushfire recovery and long-term support to ensure we have a future for people and nature in Australia.

Together with all of our partners, your support is fundamental in making sure that we can have the greatest impact by building a world where plants, animals, oceans and the places we love flourish – a world where our food is secure and our climate is stable.

This year Australia faced an unprecedented, catastrophic bushfire season and so much has been lost. The disaster has touched nearly every Australian.

Your support is allowing us to deploy funds to wildlife rescue and care organisations in affected states so they can respond at scale. It will also allow us to help restore forests and damaged wildlife habitat, stop deforestation, create safe corridors for our wildlife and help implement Indigenous and rural fire management.

You are also helping us drive innovative solutions to mitigate climate change and help species adapt to our changing conditions.

I am so thankful for your generosity and I hope you and all at *au Jibun Bank* feel proud knowing that you are making a difference for our native species and habitats.
Together, it's possible.

Warm Regards,

Dermot O'Gorman
CEO, WWF-Australia
